

The Richland School of Academic Arts
End of Year School Performance Report

2022-23

IRN:011967

1456 Park Ave.
Ontario, OH 44902

VICE President of Education
Jennifer Schorr

Sincerely,

Your dedication to ensuring all students have access to a high-quality public education; authorizing practices; ensuring responsible oversight; and setting high standards for school performance. Thank you for Buckeye Community Hope Foundation's commitment to establishing strong public community schools by adhering to district

to parents and guardians of the students enrolled in our sponsored schools; schools to the Department of Education and Workforce by November 30 of each year. We also make this report available finally, please note that in accordance with Ohio law, BCHF submits a written report of the performance of our portfolio of

your school. Should you have additional questions, please do not hesitate to contact us; sponsorship contract. BCHF representatives will also discuss this report at an upcoming governing authority meeting of More information about the targets and metrics can be found in the Performance Framework, located in Exhibit 3 of your

earned in that specific area. component area (academic, compliance, and finance) summarizes what percent of applicable target points a school three points and schools may earn greater or less than the target. The performance detail score at the top of each finance targets are two points. Schools may earn less than two points for failing to meet the target. The academic target is The rest of the report provides detailed performance data in academic, compliance, and finance. The compliance and

authority for renewal decisions lies with the BCHF Board of Trustees; note that nothing in this report shall be construed to guarantee renewal or non-renewal of a school contract and that the make a favorable prospect for renewal; those with less than 75 percent have an unfavorable prospect for renewal. Please more heavily than compliance and finance. Schools that have earned at least 75 percent of their total possible target points targets. BCHF calculates an overall performance score in accordance with our renewal policy, which weights academic page one of this report includes a summary of the school's performance in meeting its academic, compliance, and financial

renewal. This report includes data from the most recent school year and from over the contract term. academic, compliance (operations and legal), and financial—and provides information about the school's prospect for those in need of improvement. To that end, the report summarizes school performance in three component areas— school's performance relative to expectations outlined in the sponsorship contract and to identify areas of strength and End of Year School Performance Report. The goals of this report are to provide you with timely information on your As sponsor of the Richard School of Academic Arts, Buckeye Community Hope Foundation (BCHF) annually produces an
